Director General's Message

ESIC, India's foremost social security organization, continues its unwavering commitment to providing comprehensive social protection benefits to eligible workers. Over the past decades, our mission has been to extend essential social health protection and critical social security benefits to all formal sector workers covered by the ESI Act.

The 230th meeting of the 'Standing Committee' addressed various agenda items, reflecting ESIC's commitment to effective governance and strategic planning. The discussions ranged from budget estimates to property management matters, emphasizing the ESIC's comprehensive approach.

The 'Budget and Accounts Sub-Committee (BASC)' discussed and recommended the 'Revised Budget Estimates 2023-24' and 'Budget Estimates 2024-25,' demonstrating ESIC's commitment to financial transparency and accountability.

ESIC actively participated in the All India Ayurveda Congress (AIAC) Conference and Arogya Fair in Mumbai, showcasing its AYUSH initiatives. The event included the sharing of the 'ESIC Policy on AYUSH- 2023' and highlighted efforts to promote AYUSH services. The presentation covered the current status of AYUSH in ESIC, services offered to ESI beneficiaries and future plans for the promotion of AYUSH services.

A three-day workshop on NABH Hospital 5th Edition Accreditation Standards was organized, encouraging the implementation of quality standards across ESIC Hospitals. This initiative aims to elevate the quality of healthcare services and empower healthcare professionals with the necessary knowledge and skills. The 119th ESIC Regional Board Meeting in Kerala discussed the successful implementation of the ESI Scheme in the state, showcasing ESIC's dedication to tailoring solutions to regional needs.

The 12th Central Sports Meet in Pune marked the inauguration of a five-day event celebrating sportsmanship and healthy competition among 605 participants in seven different disciplines. This emphasizes ESIC's commitment to promoting a healthy lifestyle and fostering camaraderie.

Hon'ble Members of Parliament participated in a study visit to Goa, focusing on rules and regulations under the Employees' State Insurance Act, 1948. This initiative showcases ESIC's transparency and willingness to engage in constructive discussions with stakeholders. The official language-related inspection of ESIC Regional Office, Ahmedabad and ESIC Model Hospital, Bapunagar, Ahmedabad, reinforces ESIC's commitment to linguistic compliance.

The provisional payroll data for November 2023 reveals remarkable development for the nation's workforce. ESIC has witnessed a substantial surge in enrollments under the ESI Scheme, adding 15.92 lakh new workers. A significant portion of these new registrations, totaling 7.47 lakh, comprises young employees aged up to 25 years. Gender diversity is a key focus, with 3.17 lakh female employees enrolled and a noteworthy stride towards inclusivity is the registration of 58 transgender employees. In addition, ESI Scheme expanded its coverage by registering approximately 20,830 new establishments.

As we move forward, ESIC remains steadfast in its dedication to delivering essential social protection benefits. Guided by principles of innovation, excellence and inclusivity, we look toward contributing to a resilient and prosperous nation, ensuring the well-being of all.

Shri Rameswar Teli, MoS, Labour & Employment, Visits ESI Hospital in Jodhpur

To assess healthcare facilities in Jodhpur, Shri Rameswar Teli, the Minister of State for Labour & Employment, Petroleum and Natural Gas in the Government of India, visited the ESI hospital in Pratapnagar, Jodhpur on January 5, 2024.

During his visit, Shri Rameswar Teli engaged in constructive discussions with the ESIC hospital's medical professionals and support staff. This interactive session provided him with insights into the daily operations, challenges and successes of the medical team at the ESI hospital.

In addition to meeting with the hospital staff, Shri Rameswar Teli took the time to interact with patients currently receiving treatment. His personal engagement with the patients allowed him to inquire about their experiences and assess the effectiveness of the treatment facilities provided by the hospital.

The visit was aimed at strengthening the understanding of the healthcare infrastructure and services available at the ESI hospital in Jodhpur. By directly interacting with healthcare professionals and patients, he gained valuable firsthand information that can contribute to informed decision-making and improvements in the healthcare sector.

Shri Rameswar Teli, MoS, Labour & Employment Commends Progress at ESIC Model Hospital Beltola, Guwahati

Shri Rameswar Teli, MoS, Labour & Employment, Petroleum and Natural Gas, Government of India, undertook a visit to the ESIC Model Hospital in Beltola, Guwahati, Assam on January 11, 2024. The primary purpose of the visit was to oversee the ongoing construction of a new building at the hospital premises.

During his visit, Shri Rameswar Teli, actively engaged with the hospital staff, patients and construction personnel. The focus of the visit was to assess the progress of the construction project and gain insights into the overall functioning of the ESIC Model Hospital.

One of the highlights of the visit was his interaction with the patients. He took the opportunity to personally connect with individuals receiving medical care at the hospital, showing genuine concern for their well-being. Such interactions not only offer moral support to the patients but also provide policymakers with valuable feedback on the ground realities of healthcare delivery.

Expressing his satisfaction, Shri Rameswar Teli, commended the

hospital staff for maintaining a high standard of cleanliness within the premises. Cleanliness in healthcare facilities is paramount for ensuring a hygienic environment and preventing the spread of infections. His positive assessment reflects the commitment of the ESIC Model Hospital to maintaining a clean and sanitary space for patient care.

Shri Rameswar Teli, also lauded the swift progress in the construction of the new building. A fast-paced construction process is crucial for timely expansion of healthcare infrastructure, ensuring that the hospital can accommodate a growing number of patients and provide enhanced medical services.

The construction of the new building at the ESIC Model Hospital Beltola signifies the government's commitment to improving healthcare infrastructure in the region. It aligns with the broader goal of enhancing accessibility to quality healthcare services for the residents of Guwahati and surrounding areas.

ESIC Showcases Commitment to AYUSH Initiatives at All India Ayurveda Congress and Arogya Fair in Mumbai

Employees' State Insurance Corporation actively participated in the prestigious All India Ayurveda Congress (AIAC) Conference and Arogya Fair held in Mumbai from January 19th to 22nd, 2024.

The event provided a platform for ESIC to showcase its AYUSH initiatives, emphasizing its commitment to holistic healthcare approaches.

Dignitaries such as Shri Shripad Yesso Naik, Minister of State for Tourism, Government of India, Ms. Arti Ahuja, Secretary, Labour & Employment, Government of India, Padma Bhushan Vaidya, Shri Devendra Triguna and Dr. Deepika Govil, Medical Commissioner (AYUSH), ESIC, graced the occasion, underscoring the significance of ESIC's presence at the event.

During the inaugural session, Ms. Arti Ahuja, Secretary, Labour & Employment, Government of India, shared insights into the 'ESIC Policy on AYUSH- 2023.' Her address not only highlighted the policies driving ESIC's AYUSH initiatives but also shed light on the organization's relentless efforts to promote AYUSH practices.

Dr. Deepika Govil, Medical Commissioner (AYUSH), ESIC, played a pivotal role by presenting the current status of AYUSH within ESIC. She outlined the various AYUSH services being extended to ESI beneficiaries and outlined ambitious future plans for the widespread promotion of AYUSH services within the ESIC framework.

The session was further enriched by the collaborative efforts of Dr. G. Prabhakar Rao, Deputy Medical Commissioner (AYUSH), ESIC, who provided valuable assistance during the presentation. Their combined insights demonstrated ESIC's comprehensive approach to integrating AYUSH practices into mainstream healthcare for the benefit of its beneficiaries.

Ms. Arti Ahuja Chairs 230th meeting of the 'Standing Committee of ESIC' in New Delhi

Ms. Arti Ahuja, Secretary, Labour & Employment, Government of India, chaired the significant 230th meeting of the 'Standing Committee of Employees' State Insurance Corporation' on January 31, 2024, in New Delhi. The meeting, a crucial forum

for deliberating on various agenda items, brought together key stakeholders to discuss and decide on matters pivotal to the functioning of ESIC.

During the meeting, a range of agenda items were discussed, reflecting the commitment of the committee to thorough examination and decision-making. The agenda included confirmation of the minutes and the Action Taken Report on recommendations and decisions made during the 229th meeting.

The committee also delved into the Revised Estimates of 2023-2024 and Budget Estimates 2024-2025 of ESI, examining the financial trajectory of the organization for the upcoming fiscal year.

The Performance Budget 2024-2025 of ESIC, a critical document outlining the planned outcomes and results, was also a key point of discussion. The committee scrutinized this budget to ensure

alignment with the organizational goals and objectives.

A noteworthy topic of discussion during the meeting was the revision of bond conditions for Postgraduate pass-outs in ESIC.

Property management matters, particularly variations and additions in the cost of construction of ESIC and ESI Hospitals, were also addressed.

Additionally, the committee received a report on revising existing norms for setting up Sub-Regional offices in ESIC.

The meeting witnessed the active participation of key figures, including Dr. Rajendra Kumar, Director General, ESIC; Shri Ramesh Krisnamurthi, Additional Secretary, Ministry of Labour &

Employment; Shri Alok Chandra, Senior Labour and Employment Advisor, Ministry of Labour & Employment; representatives from Employees' Unions and Employers' Associations; and senior officers from both the Ministry of Labour & Employment and ESIC.

Parliamentary Committee on Subordinate Legislation Conducts Meeting in Goa

A delegation of Hon'ble Members of Parliament participated in a study visit programme organized by the Committee on Subordinate Legislation, Lok Sabha, in Goa on January 5, 2024. The event was graced by the presence of esteemed parliamentarians who engaged in insightful discussions on rules and regulations framed

under the Employees' State Insurance Act, 1948 and other relevant Acts.

Dr. Rajendra Kumar, Director General, ESIC, was among the distinguished attendees, along with other senior officers from the Ministry of Labour & Employment, Government of India and ESIC.

The meeting served as a platform for an informal discussion, allowing the participants to delve into the intricacies of the regulatory framework governing employees' insurance and related statutes. The Employees' State Insurance Act, 1948, holds significance in ensuring social security for workers by providing a comprehensive insurance scheme. The dialogue provided an opportunity for the attendees to exchange insights, share perspectives and seek

clarification on various aspects of the legislation.

As the discussions unfolded, participants exchanged ideas on refining rules and regulations to ensure they remain aligned with the evolving needs of the workforce. The collaborative effort showcased a dedication to enhancing the social security and welfare of employees, a core objective of the Employees' State Insurance Act.

The Committee on Subordinate Legislation, Lok Sabha, played a pivotal role in facilitating this informative session, fostering a collaborative environment for addressing concerns and exploring potential enhancements to existing regulations. The study visit

programme aimed to deepen the understanding of Members of Parliament regarding the practical implications of legislation on the ground.

Dr. Rajendra Kumar Chaired ESIC's Budget and Accounts Sub-Committee Meeting

Dr. Rajendra Kumar, Director General, ESIC, chaired the 'Budget and Accounts Sub-Committee (BASC)' meeting on January 29, 2024, at the ESIC Headquarters in New Delhi.

The primary agenda of the BASC meeting centered around the consideration and recommendation of the 'Revised Budget Estimates for 2023-24' and the 'Budget Estimates for 2024-25.'

This meticulous scrutiny and strategic planning are essential for ensuring the fiscal health and operational efficiency of the

ESIC, contributing to its mission of providing social security to employees and workers across the country.

Members of the BASC, drawn from diverse sectors including the Ministry of Labour and Employment (MoL&E), State

Governments, Employers' Associations, Employee' Unions and senior officers of ESIC, actively participated in the deliberations.

Dr. Rajendra Kumar, Director General, ESIC, Advocates Enhanced Medical Care During Visit to ESIC Hospital & PGIMSR, Basaidarapur

Dr. Rajendra Kumar, Director General, ESIC, made a significant visit to the ESIC Hospital & Post Graduate Institute of Medical Sciences and Research (PGIMSR) in Basaidarapur, New Delhi on January 11, 2024. The purpose of the visit was to conduct a comprehensive assessment of the hospital's operations and engage with officials and medical professionals to foster improvements in medical care services.

During the visit, he took a tour of the hospital facilities, gaining firsthand insights into the daily operations and patient care practices.

An essential aspect of the visit involved his direct interaction with hospital officials and medical practitioners.

The focus of the discussions centered around initiatives and innovations that could contribute to an elevated level of patient care.

The visit to ESIC Hospital & PGIMSR, Basaidarapur, serves as a platform for open communication between leadership and healthcare professionals. By fostering a culture of dialogue, the

ESIC can address challenges, implement best practices and optimize its capabilities in providing comprehensive medical care.

Dr. Rajendra Kumar, Director General, ESIC, Inspects and Reviews Progress of New ESIC Hospital in Tiruppur, Tamil Nadu

Dr. Rajendra Kumar, Director General, ESIC, conducted a comprehensive inspection of the upcoming 100-bed ESIC Hospital in Tiruppur on January 19, 2024. The Director General examined various facets of the ongoing project, aimed at enhancing healthcare services for more than 6 lakhs insured individuals in the surrounding areas.

The hospital, situated on a sprawling 7.54-acre site, has been developed at an estimated cost of approximately Rs. 100 crores, with a targeted completion date of January 25, 2024, the facility is poised to become a vital healthcare hub in the region.

During his visit, Dr. Rajendra Kumar toured the hospital premises, starting with a thorough examination of the Outpatient Department (OPD) consultation rooms and the casualty area on the ground floor.

The Director General inspected the operation theatres and explored the administration block and wards on the second floor, offering instructions for immediate enhancements.

In addition to scrutinizing medical facilities, Dr. Rajendra Kumar paid a visit to the staff quarters, emphasizing the importance of creating a conducive living environment for the hospital's dedicated personnel. He also inspected critical infrastructure components such as the oxygen storage room and electricity/power room within the premises.

The ESIC Hospital in Tiruppur, once completed, is anticipated to feature three state-of-the-art Operation Theatres, Sewage Treatment Plant (STP), Effluent Treatment Plant (ETP) and 32 staff quarters. This strategic expansion aims to cater to the healthcare needs of a significant population, contributing to the overall well-being of insured individuals in the catchment areas.

Dr. Rajendra Kumar, Director General, ESIC, Takes Swift Action During Site Visit for ESIC Hospital in Erode

Dr. Rajendra Kumar, Director General, ESIC, made a visit to the proposed site of the upcoming ESIC Hospital in Sipcot Perundurai, Erode, on January 19, 2024.

While inspecting the site, Dr. Rajendra Kumar observed the

presence of rocks that could potentially pose challenges to the construction process. Recognizing the importance of this issue, he instructed the project team to provide an urgent and detailed report on the impact of these rocks on construction costs.

By obtaining a comprehensive understanding of the potential impact of rocks on construction costs, the ESIC can develop effective strategies to manage the situation efficiently.

The proposed ESIC Hospital in Sipcot Perundurai, Erode, is envisioned to play a crucial role in expanding healthcare services in the region.

The act of observing silence for two minutes serves as a gesture to honor the memory of those who selflessly laid down their lives for the cause of India's independence.

commitment to the principles of freedom and justice that continue to shape the nation's identity.

Navigating the Future: Dr. Rajendra Kumar Advocates Global Framework for Artificial Intelligence Governance

In a recent article published in The Economic Times, Dr. Rajendra Kumar, Director General, ESIC, has offered profound insights into the imperative of crafting new rules for the governance of artificial intelligence (AI). His perspective delves into the significance of establishing a comprehensive global framework that encompasses protocols for testing and deploying both high-risk and frontier AI tools.

In the rapidly evolving landscape of technology, artificial intelligence has emerged as a transformative force, revolutionizing various sectors and industries. He emphasizes the need for a proactive approach in shaping the governance of AI to ensure ethical use, accountability and transparency.

The key highlights of Dr. Rajendra Kumar's article include:

Global Framework for AI: He stresses the importance of creating a global framework for AI governance that transcends geographical boundaries. Such a framework would serve as a guiding structure for countries to navigate the ethical challenges and opportunities presented by AI technologies.

Protocols for High-Risk AI Tools: Addressing the concerns surrounding high-risk AI tools, he advocates for the development of protocols that rigorously test and deploy these advanced technologies. This approach aims to mitigate potential risks and ensures responsible use in diverse domains.

India's Proactive Role: He envisions India playing a pivotal and proactive role in contributing to the formulation of a global AI governance framework. Given India's burgeoning expertise in technology and innovation, active participation in shaping international standards can position the country as a key player in the AI landscape.

Promise for Various Domains: The article emphasizes how a well-defined global AI governance framework can unlock immense potential across various sectors in India, including education, healthcare, transportation and public safety. By establishing ethical standards, the framework can foster innovation while safeguarding societal interests.

As AI continues to shape the future, Dr. Rajendra Kumar's article calls for a collaborative and forward-thinking

approach to governance. By actively participating in the global dialogue on AI regulations, India has the opportunity to contribute to the development of ethical and responsible AI practices that align with the nation's values and aspirations.

This article serves as a thought-provoking contribution to the ongoing discourse on AI governance and positions Dr. Rajendra Kumar as a key advocate for a harmonized and inclusive approach in navigating the evolving AI landscape.

ESIC Congratulates Former Employee Shri Ashok Kumar Biswas on Padma Shri Award

The Employees' State Insurance Corporation extends its heartfelt congratulations to Shri Ashok Kumar Biswas, an ex-employee of ESIC Regional Office, Bihar, for receiving the prestigious 'Padma Shri Award,' one of the highest honors bestowed by the country. He has been recognized for his exceptional talent in the traditional art form of Tikuli Kala.

Hailing from Bhagalpur, Bihar, Shri Ashok Kumar Biswas is affectionately known as the 'Bhishma Pitamah' of Tikuli Kala, a testament to his mastery and influence in the realm of this unique art form. His contribution to preserving and promoting Tikuli Kala has earned him admiration and acclaim, culminating in the well-deserved Padma Shri Award.

Tikuli Kala is an ancient art form that involves intricate and delicate painting on handmade paper, often adorned with vibrant colors and intricate designs. Shri Ashok Kumar Biswas has not

only excelled in this traditional art but has also played a pivotal role in imparting his knowledge to the younger generation.

Notably, Shri Biswas has dedicated himself to nurturing and training numerous young talents in the field of Tikuli Kala, contributing significantly to the preservation and evolution of this culturally rich art form. His efforts have not only kept the tradition alive but have also inspired a new generation of artists to explore and innovate within the boundaries of Tikuli Kala.

ESIC takes immense pride in Shri Ashok Kumar Biswas's achievements and his commitment to both his artistic endeavors and the cultural heritage of Bihar.

As Shri Ashok Kumar Biswas adds this prestigious accolade to his list of accomplishments, ESIC applauds his outstanding contributions to the world of Tikuli Kala and extends best wishes for continued success in all his future endeavors.

ESIC Medical College & Super Specialty Hospital in Sanathnagar Receives Certification for Organ Transplantation Services

In a significant achievement for the Employees' State Insurance Corporation, the ESIC Medical College & Super Specialty Hospital in Sanathnagar, Hyderabad, has been granted a Certificate of Registration and Permission by the Government of Telangana. This certification allows the hospital to operate the Cadaver Renal Transplantation and the Non-Transplant Organ Harvesting Center (NTOHC) under the Jeevandan scheme.

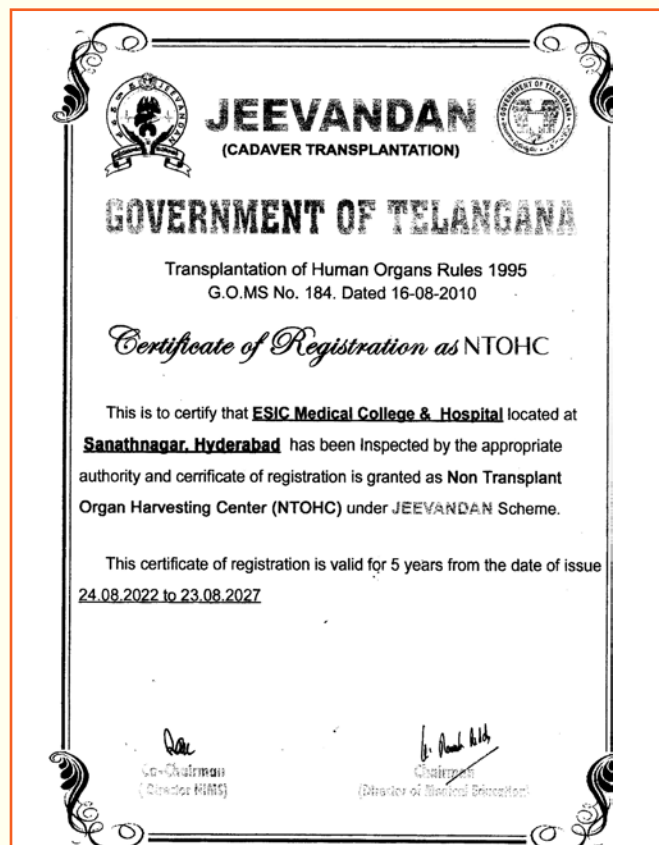

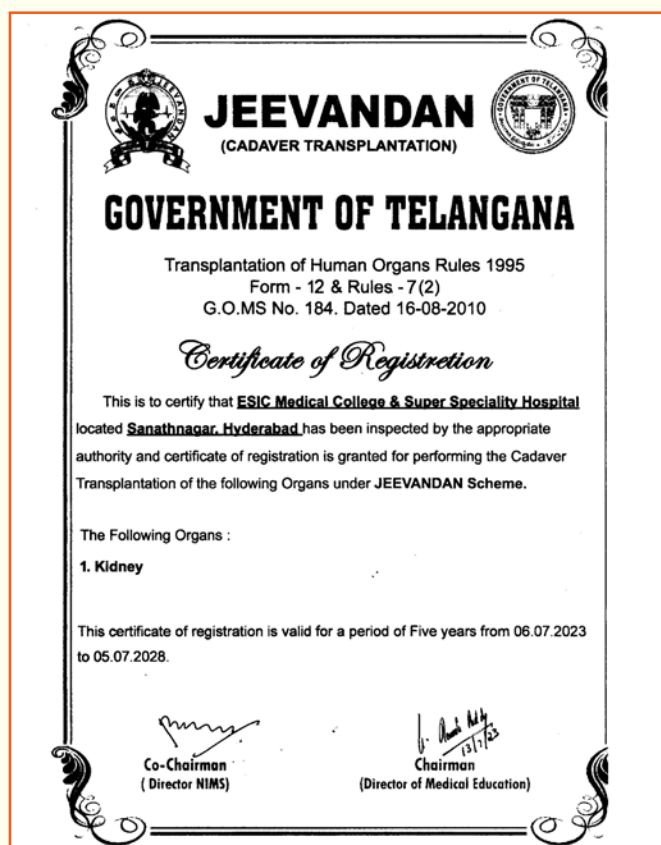

The validation of the Certificate of Registration extends over a period of five years, starting from July 6, 2023, to July 5, 2028. This accreditation is a testament to the hospital's commitment to providing high-quality medical care to insured persons and beneficiaries associated with ESIC.

The inclusion of Cadaver Renal Transplantation services marks a significant milestone for the ESIC Medical College & Super Specialty Hospital. Renal transplantation from cadavers plays a crucial role in addressing the organ shortage crisis, offering a lifeline to patients in need of kidney transplants.

Furthermore, the Non-Transplant Organ Harvesting Center (NTOHC) will contribute to the enhancement of organ donation and transplantation activities. This initiative aligns with the Jeevandan scheme, which aims to promote organ donation and transplantation to save lives.

The five-year certification underscores the hospital's compliance with stringent standards and regulations set by the government, ensuring that the ESIC Medical College & Super Specialty Hospital maintains a high level of proficiency in organ transplantation and harvesting procedures.

This accomplishment not only signifies a remarkable stride for ESIC in the healthcare sector but also enhances the overall quality of medical care available to insured persons and beneficiaries. As ESIC continues to expand its capabilities and services, this achievement reinforces its commitment to providing advanced healthcare solutions and contributing to the well-being of its community.

ESIC Medical College & Hospital Faridabad Achieves Milestone with Successful Live Related Renal Transplant

In yet another remarkable achievement, the Employees' State Insurance Corporation reached a significant milestone on January 12, 2024. The Transplant Centre at ESIC Medical College & Hospital Faridabad successfully performed the second Live Related Renal Transplant (LRRT), showcasing the commitment to advancing healthcare services.

The Live Related Renal Transplant involved the transplantation of a kidney from a living donor to the recipient, marking a critical advancement in organ transplantation at ESIC Medical College & Hospital Faridabad.

The beneficiary of this groundbreaking procedure was Shri Vikas Kumar Jha, a 34-year-old male who is an Insured Person under ESIC. Shri Vikas Kumar Jha, who had been grappling with End Stage Renal Disease (ESRD) for the past three years, had been undergoing dialysis for the last two years. The successful LRRT not only brings hope to Shri Vikas Kumar but also signifies a significant leap forward in the capabilities of ESIC Medical College & Hospital Faridabad.

The surgical team, comprised of specialized doctors, played a pivotal role in ensuring the success of the Live Related Renal

Transplant. The team included nephrologist Dr. Jitendra Kumar, urologists Dr. Saurabh Joshi and Dr. Nisanth Gurunani, along with the anesthesia team, residents, nursing staff and paramedical professionals. Their collective efforts and expertise were instrumental in the seamless execution of this complex medical procedure.

Dr. Asim Das, Dean, ESIC Medical College & Hospital Faridabad, along with Dr. A. K. Pandey, extended heartfelt congratulations to the entire medical team for their outstanding accomplishment. Such medical milestones not only reflect the dedication and skill of the healthcare professionals involved but also highlight the continuous efforts of ESIC in providing cutting-edge medical care to its beneficiaries.

This achievement underscores ESIC's commitment to advancing medical services and highlights the positive impact that such procedures can have on the lives of insured individuals. The success of the second Live Related Renal Transplant at ESIC Medical College & Hospital Faridabad is a testament to the dedication to ensuring the well-being and health of its beneficiaries.

सफदरजंग अस्पताल तथा ईएसआईसी के संयुक्त प्रयास से 'जागरुकता सत्र' का आयोजन

सफदरजंग अस्पताल, नई दिल्ली और कर्मचारी राज्य बीमा निगम ने 12 जनवरी, 2024 को संयुक्त रूप से एक जागरुकता सत्र आयोजित किया, जिसका मुख्य उद्देश्य था नियोक्ताओं के अंतर्गत

तैनात सुरक्षा कर्मी, हाउसकीपिंग और डाटा एंट्री ऑपरेटर सरीखे कर्मचारियों को ईएसआईसी कार्ड के लाभों के बारे में जागरुक करना।

इस जागरुकता सत्र का आयोजन डॉ. वंदना तलवार, चिकित्सा अधीक्षक, सफदरजंग अस्पताल, नई दिल्ली द्वारा किया गया। इस कार्यक्रम में ईएसआईसी से श्री चंद्रभानु झा, उपनिदेशक (प्रभारी),

उप-क्षेत्रीय कार्यालय, ओखला एवं उनके कार्यालय से जुड़े अन्य अधिकारी भी सहभागी बने और कार्यक्रम की शुरुआत की।

ईएसआईसी के अधिकारियों ने विस्तार पूर्वक सभी कर्मचारियों को योजना से मिलने वाली सुविधाओं के बारे में बताया। साथ ही, कर्मचारियों के सवालों का उत्तर देते हुए उनकी शंकाओं का निवारण भी किया गया।

यह जागरूकता सत्र न केवल कर्मचारियों को ईएसआई कार्ड के लाभों से अवगत कराने का माध्यम रहा, बल्कि यह ईएसआईसी योजना की महत्वपूर्णता को समझाने में भी सहायक रहा। सफदरजंग अस्पताल, इस पहल के माध्यम से अपने कर्मचारियों को ईएसआईसी कार्ड एवं योजना के लाभों के बारे में जागरूक करने में सफल रहा।

ESIC and EPFO Collaborate for Interactive Public Interface Programme in Tirupati

In a collaborative effort to enhance public outreach and facilitate seamless interactions with beneficiaries, ESIC and EPFO jointly organized a public interface programme on January 29, 2024, at the Sub-Regional Office in Tirupati, Andhra Pradesh. The event, aptly named “Suvidha Samagam” by ESIC and “Nidhi Aapke Nikat 2.0” by EPFO, aimed to provide a platform for information exchange, grievance redressal and interactive discussions.

The joint initiative served as an important bridge between ESIC and EPFO, bringing together their unique offerings for the benefit of the public. This collaborative effort acknowledged the interconnected nature of social security services and financial welfare, emphasizing the importance of a unified approach.

The programme, held at the Sub-Regional Office in Tirupati, witnessed active participation from the public, employers and employees. It served as an interactive platform where ESIC and EPFO officials engaged with attendees, disseminating detailed information about their respective services.

The highlight of the event was the provision for on-the-spot grievance redressal, demonstrating the commitment of both organizations to addressing concerns promptly and efficiently. Attendees had the opportunity to voice their grievances, seek clarification on processes and receive immediate assistance from ESIC and EPFO representatives.

The joint outreach programme not only facilitated information dissemination but also encouraged dialogue between stakeholders. ESIC and EPFO officials provided insights into the Suvidha Samagam and Nidhi Aapke Nikat 2.0 initiatives, showcasing the user-friendly aspects of their services and emphasizing the ease of access for beneficiaries.

The collaborative spirit displayed in Tirupati reflects the commitment of ESIC and EPFO to creating a more inclusive and responsive social security and financial welfare system. By combining their efforts in a joint public interface programme, both organizations aim to enhance transparency, accessibility and overall efficiency in serving the needs of the public.

In conclusion, the Suvidha Samagam and Nidhi Aapke Nikat 2.0 joint initiative in Tirupati stands as a model for effective collaboration between government entities, showcasing the potential for comprehensive and coordinated services that ultimately benefit the citizens they serve.

ESIC and EPFO Collaborate for Successful Joint Outreach Activity in Telangana Region

In a commendable collaborative effort, the Employees' State Insurance Corporation joined forces with the Employees' Provident Fund Organisation to conduct a Joint Outreach Activity at various employer premises in the Telangana region on January 29, 2024.

The primary focus of this outreach initiative was to enhance awareness and engagement among stakeholders regarding the AAA+ App (AskAnAppointment) and the importance of Aadhaar seeding. The ESIC officers spearheading the campaign played a pivotal role in educating and disseminating crucial information to the attendees.

The officers showcased the functionalities and advantages of the AAA+ App (commonly known as AskAnAppointment application), emphasizing its role in streamlining processes and facilitating convenient appointment scheduling. The officers also provided detailed insights into the benefits of Aadhaar seeding, such as efficient and accurate record-keeping, which ultimately leads to a smoother and more transparent system.

The outreach activity proved to be a valuable platform for addressing and redressing grievances raised by the stakeholders. ESIC officers actively engaged with participants, resolving queries and concerns and ensuring that the beneficiaries left with a clearer understanding of the processes involved.

This collaborative effort between ESIC and EPFO signifies a proactive approach towards enhancing the overall experience for beneficiaries and stakeholders. By conducting joint outreach activities, both organizations aim to strengthen their connection with employers and employees, fostering a more informed and compliant community.

The success of the Joint Outreach Activity in Telangana serves as a testament to the commitment of ESIC and EPFO in providing efficient and accessible services to the public. Such initiatives play a crucial role in building trust, promoting awareness and ensuring the seamless functioning of social security systems.

As the sun sets on winter and ushers in the joyous season of harvest, the Employees' State Insurance Corporation extends heartfelt wishes for a Happy Lohri, Pongal and Makar Sankranti to all! May these festivals bring forth an abundance of joy, prosperity and the sweet fragrance of freshly harvested crops into your lives.

The vibrant and diverse culture of our nation is beautifully reflected in the way we celebrate festivals. Lohri, Pongal and Makar Sankranti mark the auspicious period of harvest, symbolizing the bountiful blessings of nature and the abundance it provides.

ESIC, takes this opportunity to share the joy of these festivals with all. The warmth of the Lohri bonfire, the festivities of Pongal and

the vibrant kites adorning the sky during Makar Sankranti create an atmosphere of joy, togetherness and celebration.

May the kites of happiness soar high in the sky, bringing with them good health and an abundance of positivity for all. Like the grains of rice in a pot of Pongal, may our lives be filled with sweetness, unity and prosperity.

To provide a glimpse into the lively celebrations, let's take a sneak peek into the Pongal & Makar Sankranti festivities at ESIC, Regional Office, Andhra Pradesh. The atmosphere is filled with the sound of laughter, the aroma of traditional delicacies and the vibrant colors of rangoli and kites.

Employees and beneficiaries come together to celebrate the spirit of the harvest season. Traditional Pongal dishes, sugarcane and colorful kites adorn the surroundings, creating a festive ambiance. ESIC values the cultural diversity and traditions that make our country unique. By celebrating these festivals, we not only honor our rich heritage but also strengthen the bonds of unity and camaraderie among all citizens.

As we celebrate Lohri, Pongal and Makar Sankranti, let us cherish the warmth of our families, the richness of our traditions and the prosperity that comes with a bountiful harvest. ESIC wishes everyone a season filled with happiness, good health and the sweetness of life's blessings. Happy Lohri, Pongal and Makar Sankranti!

ESIC Scheme Witnesses Substantial Growth with 15.92 Lakh New Enrollments in November, 2023

In a significant boost to the nation's workforce, the Employees' State Insurance Corporation recorded a remarkable surge in enrollments under the ESI Scheme, with 15.92 lakh new workers added in the month of November, 2023. This surge highlights the continued commitment of ESIC to expand its social security umbrella and provide essential benefits to a growing number of employees across various sectors.

A substantial portion of the new registrations, amounting to 7.47 lakh young employees, falls within the age group of up to 25 years. This youth-centric growth constitutes 47% of the total registrations, indicating a positive trend in job creation for the younger demographic.

The data reveals a significant step towards gender diversity, with 3.17 lakh female employees enrolling in the ESI Scheme during November, 2023. This emphasizes the scheme's inclusive approach towards ensuring social security benefits for all.

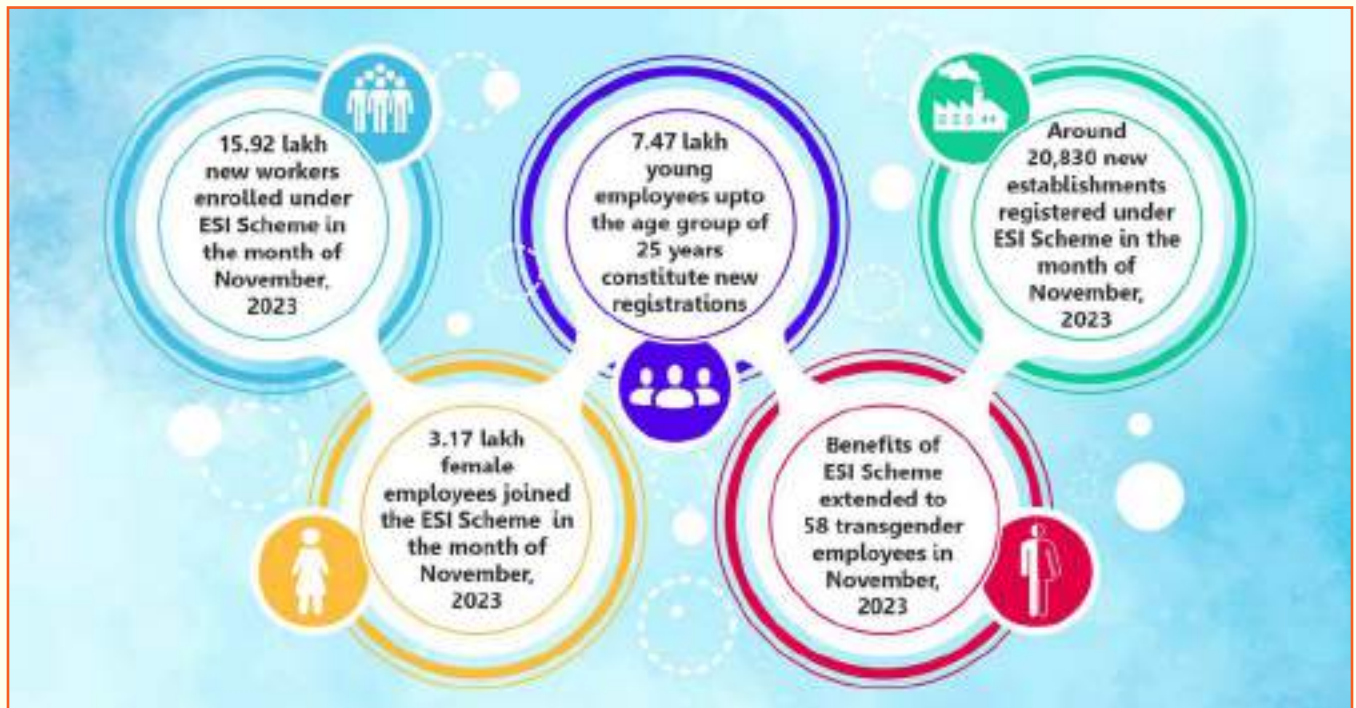

A noteworthy development is the inclusion of 58 transgender employees who registered under the ESI Scheme in November, 2023. This highlights ESIC's commitment to extending its benefits to every section of society, fostering inclusivity and diversity.

Alongside individual enrollments, the ESI Scheme expanded its coverage by registering around 20,830 new establishments in November, 2023. This ensures that more workers, across diverse sectors, now have access to the social security benefits provided by ESIC.

The ESI Scheme's commitment to social security is further exemplified by the extension of benefits to 58 transgender employees. This reflects ESIC's dedication to reaching every segment of society and fulfilling its role as a comprehensive social security provider.

The provisional nature of the payroll data underscores the continuous and dynamic nature of data generation. However, these statistics clearly indicate a positive trajectory in terms of job creation, youth employment, gender inclusivity and the extension of benefits to a broader spectrum of workers.

ESIC's ongoing efforts to enhance the reach and impact of the ESI Scheme align with its mission to provide comprehensive social security coverage, thereby contributing to the overall well-being of the nation's workforce. The surge in enrollments signifies a step towards building a more secure and inclusive work environment for all.
